

Christopher S. Johnson

Argonne National Laboratory
9700 South Cass Avenue, Bldg. 205
Argonne, IL 60439
phone: 630/252-4787
fax: 630/252-4176
e-mail: johnsoncs@cmt.anl.gov

Professional Experience

- Synchrotron spectroelectrochemical studies
- Synthesis and characterization of advanced lithium battery electrodes

Professional Society Activities

- International Society of Electrochemistry (ISE)
- International Battery Association, Board Member
- Electrochemistry Society, Battery Division
- American Chemical Society, Inorganic Division
- Society for Electroanalytical Chemistry

Awards

- International Battery Materials Association Award for Outstanding Research, 2005
- Argonne National Laboratory Pacesetter Award, 2000, 1995

Patents and Publications

- 2 patents
- 71 publications
- 42 technical presentations

Education

- PhD, Inorganic Chemistry, Northwestern University
- MS, Chemistry, Northwestern University
- BS, Chemistry, University of North Carolina, Chapel Hill
